BLAISE KOLODYCHUK'S
NANDI BEAR
TENANTS

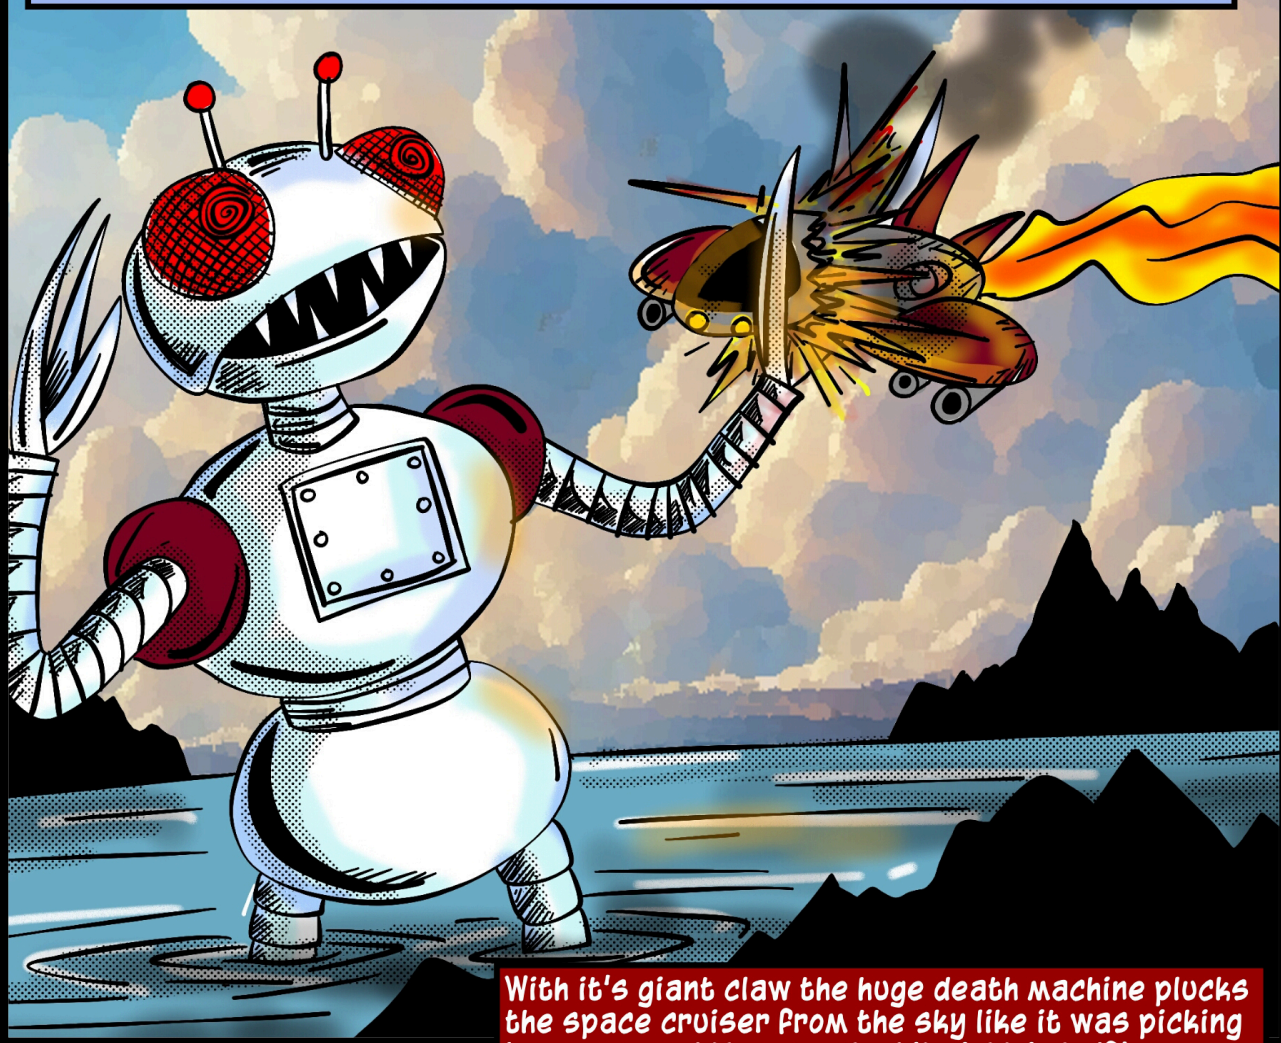
BLAISE KOLODYCHUK PRESENTS:

THE NANDI BEAR TENANTS

Flying high above the Pacifuic Ocean our heroes are on their way to hopfully find a solution to saving Stensor...

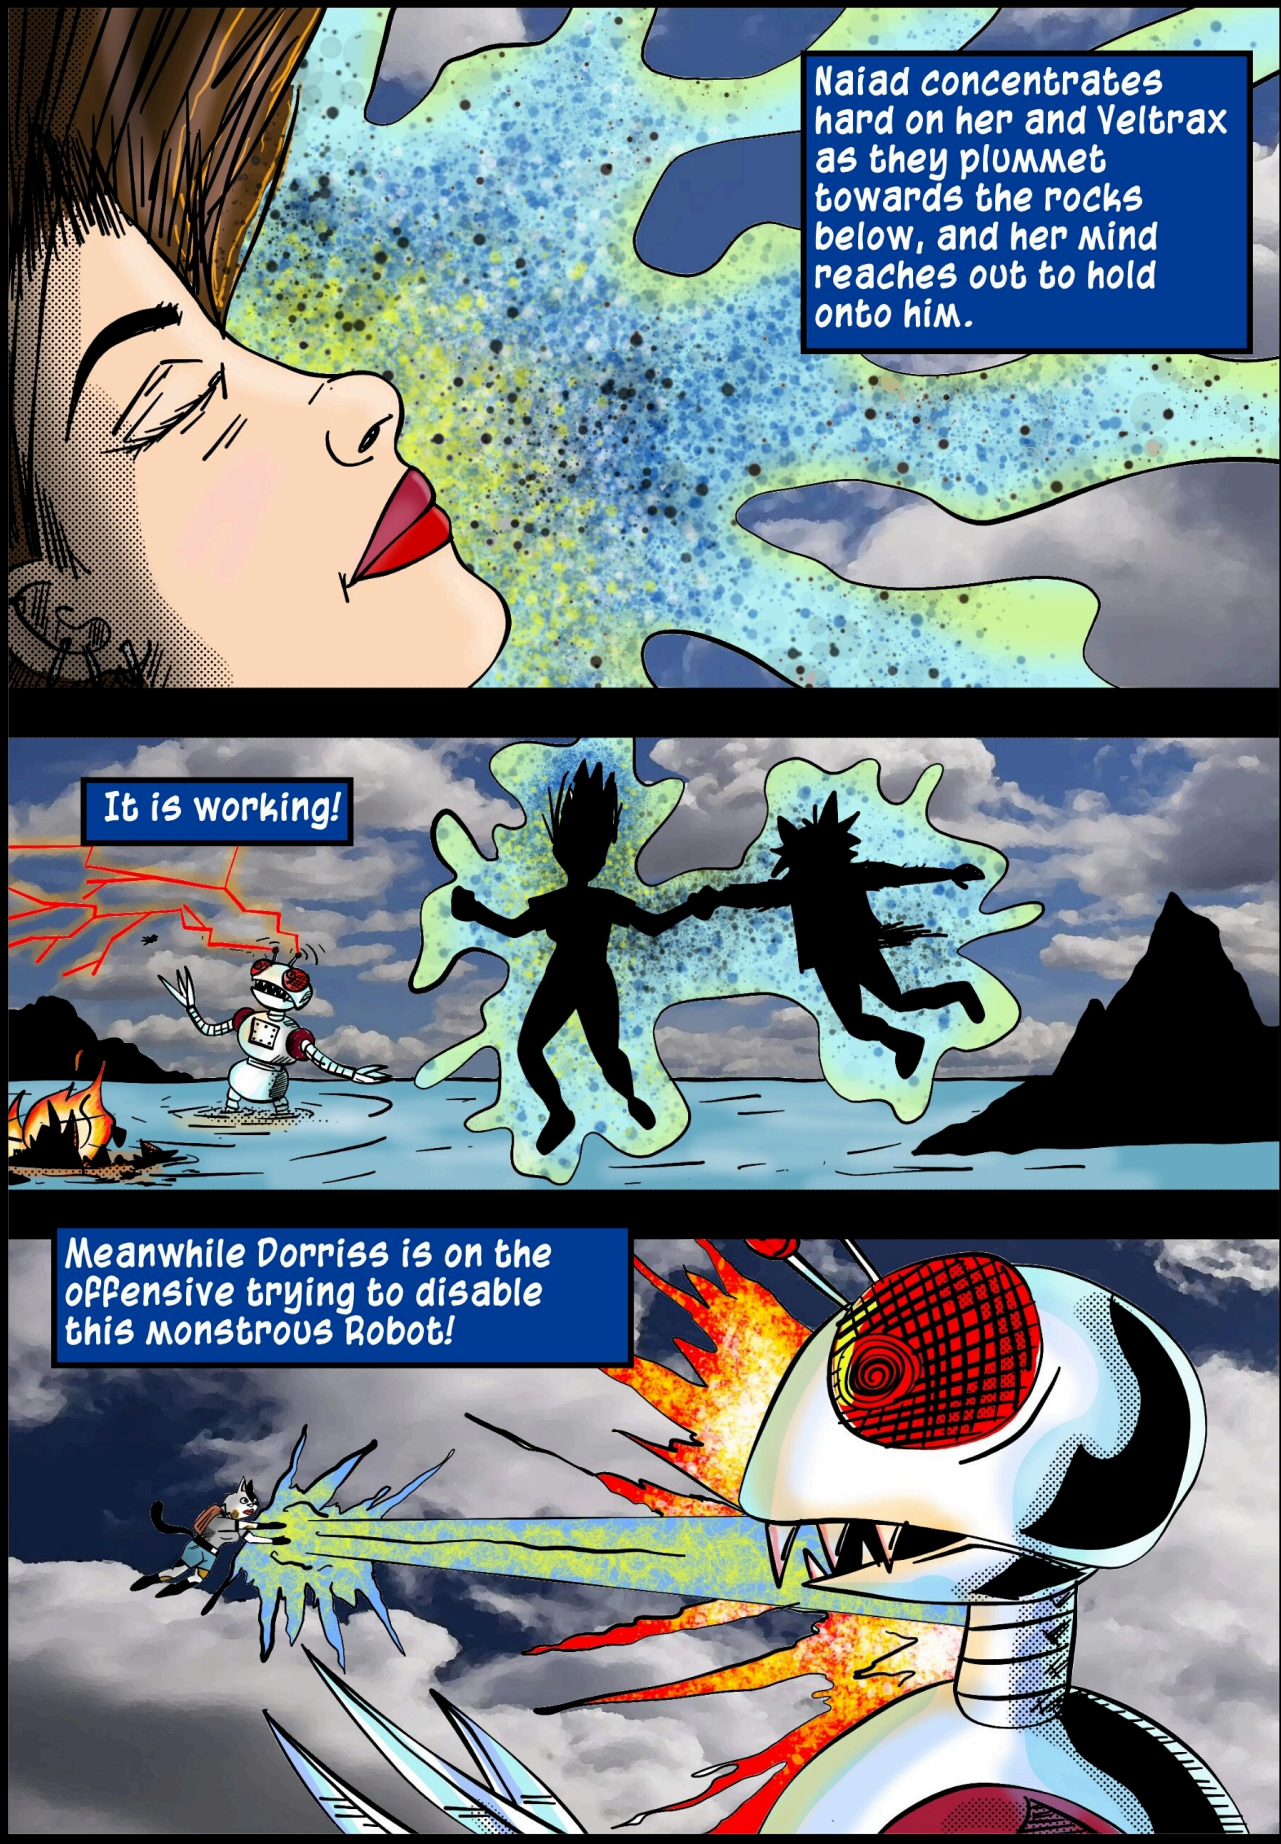
HEY FUZZY FACE, WHAT SUPER POWERS DO YOU HAVE?
OH RIGHT YOU *DON'T*.
WHAT THE HECK DO YOU MEAN I DON'T? I GOT SUPER BUTT KICKING POWER, I GOT SUPER HANDSOME POWER, I GOT SUPER ABLE TO EAT 45 BURRITOS IN ONE SITTING POWER... AS FAR AS I'M CONCERNED YOU TWO ARE KIND OF PATHETIC!

But they will soon find out how totally un-pathetic all three of our heroes are. Little did they know, The artist formally known as Klor who is now stuck deep inside the Amoeba death machine has already made her way to Earth, and whether she knew it or not her mind brought her straight to her old team mates.



With it's giant claw the huge death machine plucks the space cruiser from the sky like it was picking bananas, and then crushed it right in half!

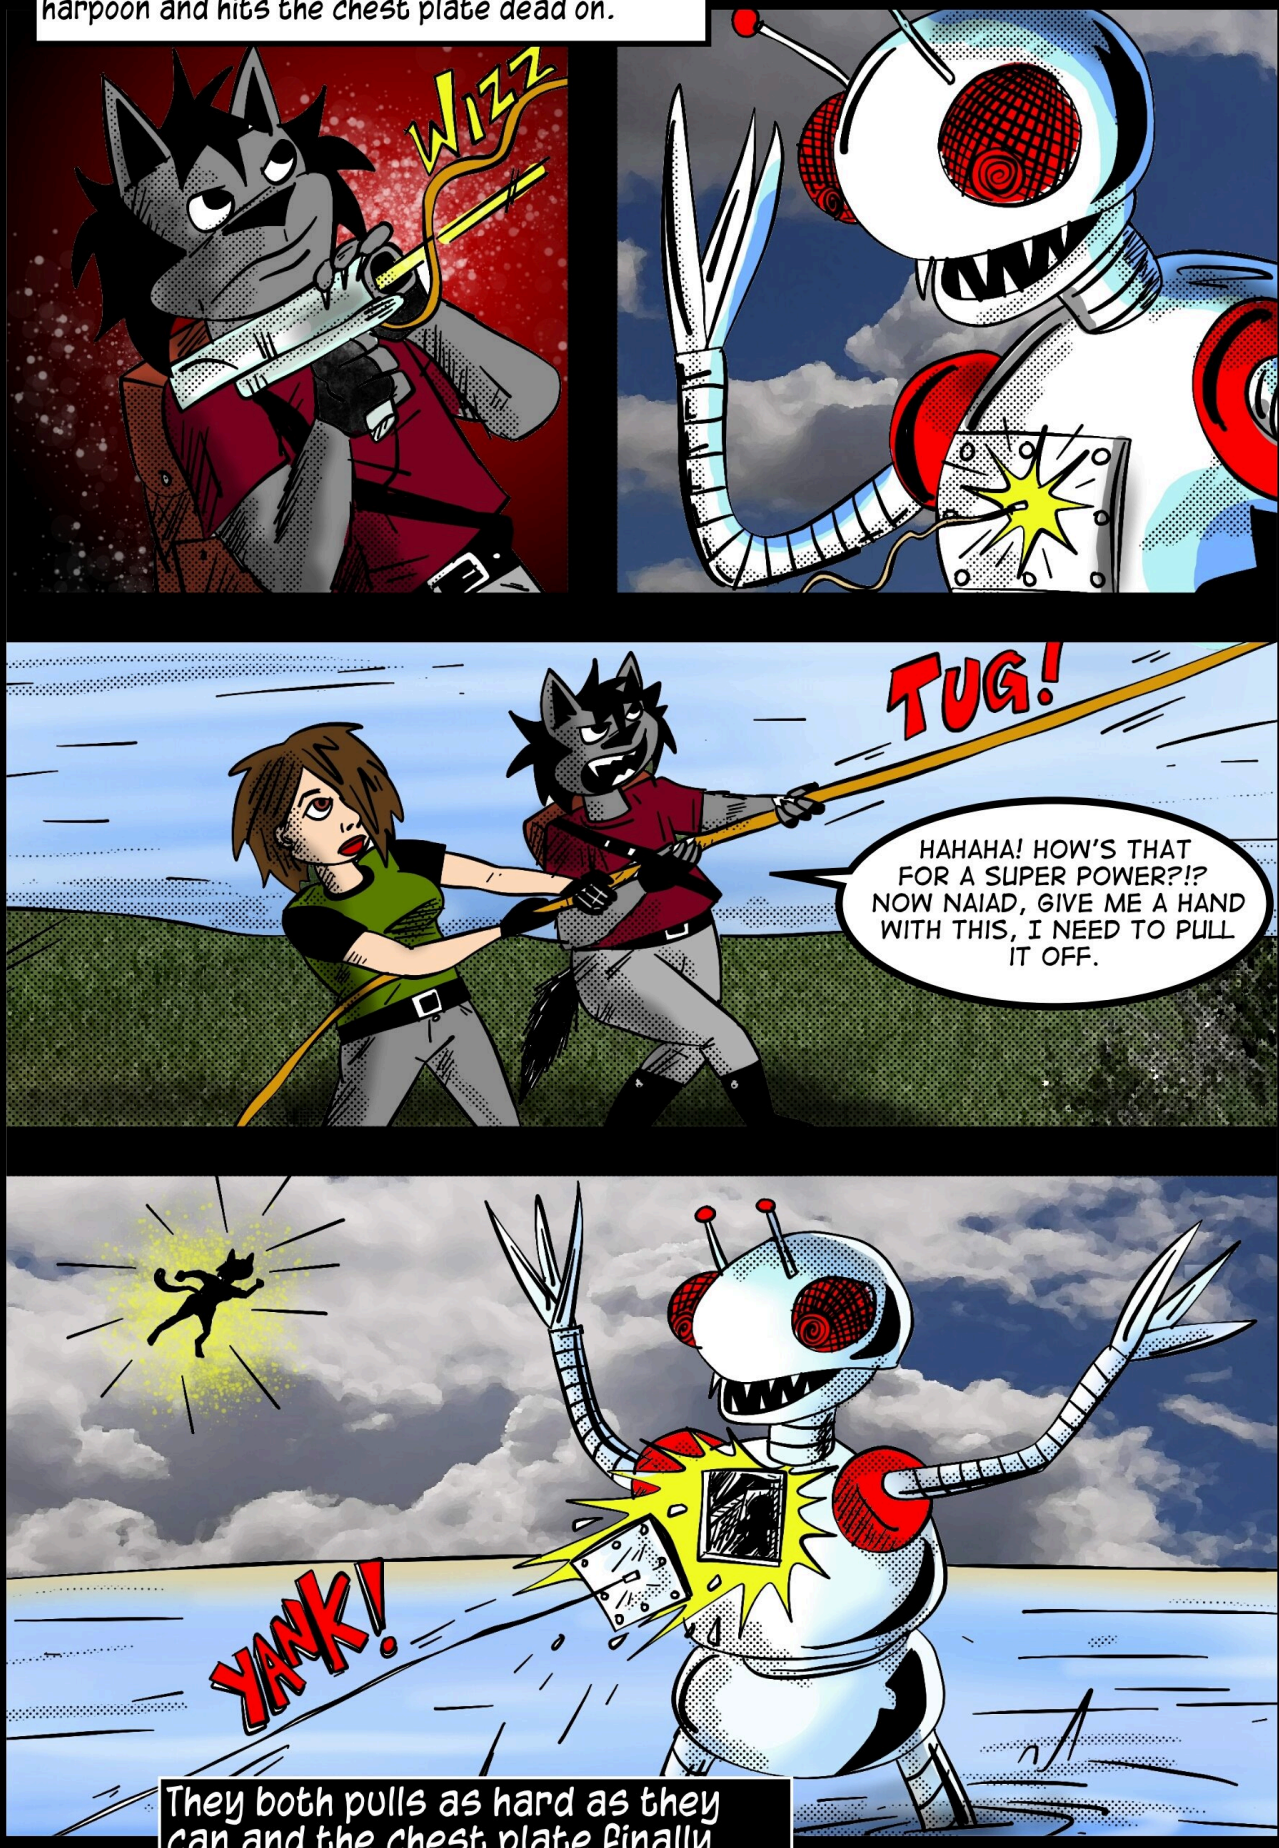
I DON'T KNOW WHAT THAT THING IS, BUT FORCLUNE IS GONNA BE SUPER MAD AT YOU NAIAD!
YOU'RE NOT WRONG, BUT REMEMBER HOW I SAID I CAN'T FLY? ME AND VELTRAX ARE GONNA DIE IN A FEW MINUTES WHEN WE HIT THAT ISLAND BELOW!
MAYBE YOU CAN'T FLY NAIAD, BUT YOU CAN MOVE OBJECTS WITH YOUR MIND! TRY MOVING YOU AND VELTRAX WITH YOUR MIND FOR A SOFT LANDING!
SMART KITTY. I HOPE IT WORKS!
ME TOO! MY ABILITY TO STUFF MY FACE WITH BURRITOS IS NOT AN IDEAL POWER AT THE MOMENT!



Naiad concentrates hard on her and Veltrax as they plummet towards the rocks below, and her mind reaches out to hold onto him.
It is working!
Meanwhile Dorriss is on the offensive trying to disable this Monstrous Robot!

Her enormous power has very little effect!
THIS THING IS ARMOUR PLATED TO THE NINES! I'M BARELY MAKING A DENT!
Veltrax and Naiad are safely on the island below...
DORRISS, I GOT AN IDEA! I CAN USE MY HARPOON GUN TO RIP OFF THE CHEST PLATE AND THEN YOU CAN BLAST THE INSIDES.
GOOD PLAN VELTRAX GIVE IT IS SHOT! LIKE A SHOT, BECAUSE YOU ARE GONNA SHOOT IT...
GREAT PUN, CAT, NOW MOVE!

Veltrax shoots the enormous beast with his harpoon and hits the chest plate dead on.



They both pulls as hard as they can and the chest plate finally rips off the front of the evil machine!

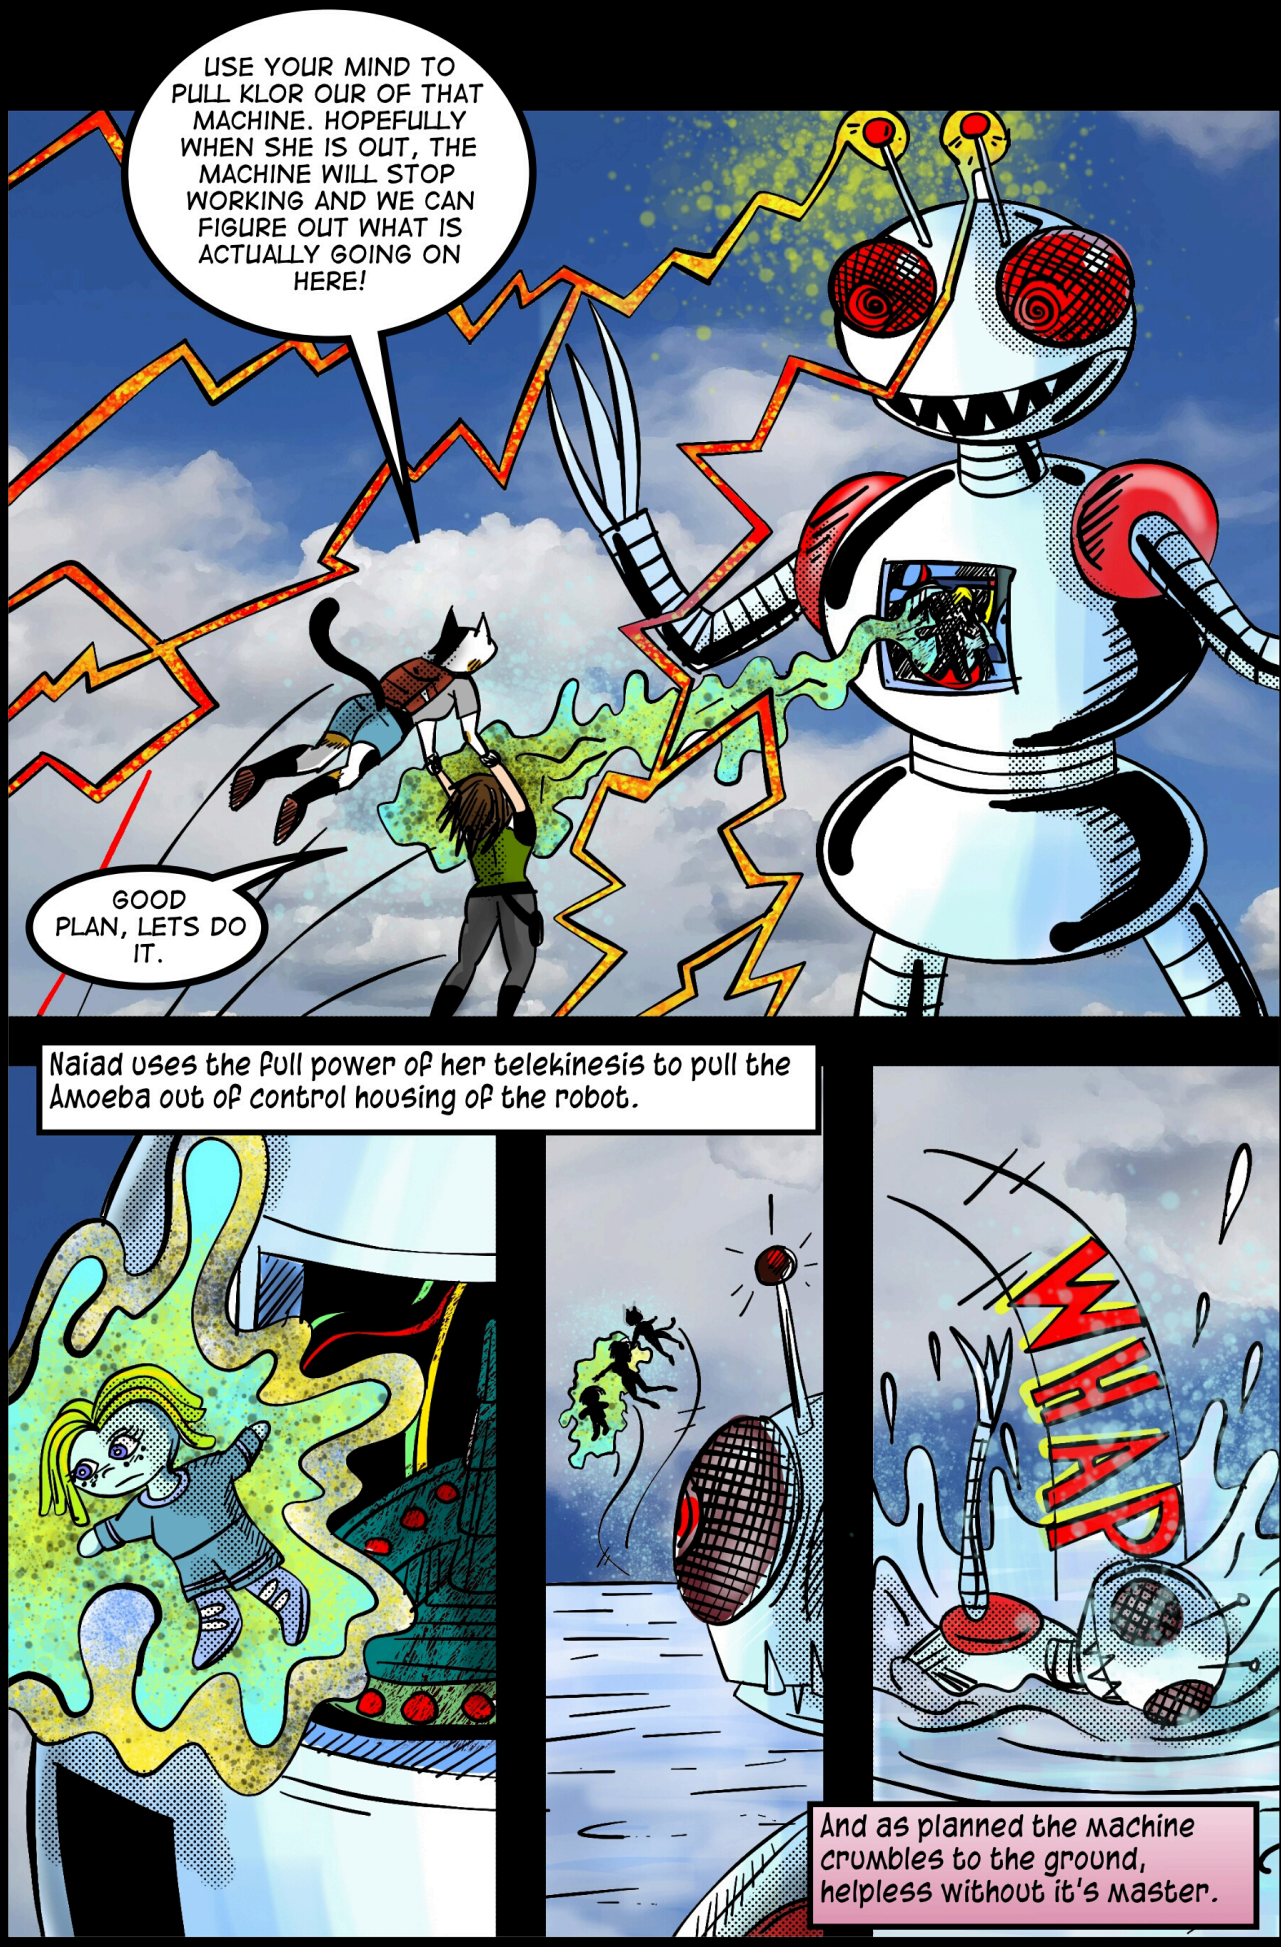
GREAT JOB FUZZ FACE, NOW LETS JUST HOW TOUGH THAT GUY IS NOW THAT THE EXPOSED INSIDES ARE VULNERABLE!
But when Dorriss flies near the death machine she recoils in horror. She immediately flies back down to see her friends.
QUICK, GET BEHIND THAT ROCK FOR COVER!
WHAT'S GOING ON, WHY DIDN'T YOU BLAST THAT THING?!
I'M NOT CERTAIN, BUT IT LOOKS LIKE KLOR IS INSIDE THAT MONSTER, OPERATING IT!

BUT KLOR IS DEAD!
I KNOW, BUT IT LOOKS LIKE HER, SORT OF, AND I KNOW THERE AIN'T ANY OTHER GIANT AMOEBAS IN THE UNIVERSE!
THIS IS CRAZY, WHAT DO WE DO? WE CAN'T BLAST HER IF IT'S KLOR! EVEN IF SHE IS TRYING TO KILL US.
WHATEVER WE DO WE BETTER DO IT QUICK, THAT GIANT ROBOT IS ALMOST HERE!
Dorriss grabs onto Naiad and flies her high into the sky in front of the deadly machine.
I'VE GOT AN IDEA. HOLD ONTO ME NAIAD, I'M GONNA FLY YOU UP THERE!
WHAT DO YOU WANT ME TO DO?



USE YOUR MIND TO PULL KLOR OUR OF THAT MACHINE. HOPEFULLY WHEN SHE IS OUT, THE MACHINE WILL STOP WORKING AND WE CAN FIGURE OUT WHAT IS ACTUALLY GOING ON HERE!
GOOD PLAN, LETS DO IT.
Naiad uses the full power of her telekinesis to pull the Amoeba out of control housing of the robot.
WHAP
And as planned the machine crumbles to the ground, helpless without it's master.

ADVICE TO COMIC READERS FOR

BAD SKIN

Stop Worrying Now About Pimples, Blackheads And Other Externally Caused Skin Troubles

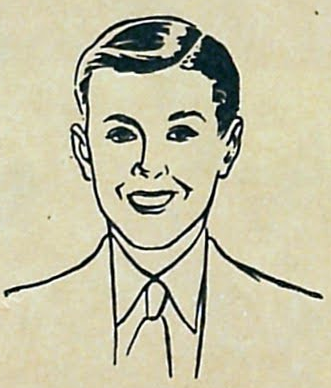
JUST FOLLOW SKIN DOCTOR'S SIMPLE DIRECTIONS

Have you ever stopped to realize that the leading screen stars whom you admire, as well as the beautiful models who have lovely, soft white skin, were all born *just like you* with a lovely smooth skin?

The truth is that many girls and women do not give their skin a chance to show off the natural beauty that lies hidden underneath those externally caused pimples, blackheads and irritations. For almost anyone can have the natural, normal complexion which is in itself beauty. All you have to do is follow a few amazingly simple rules.

Many women shut themselves out of the thrills of life — dates, romance, popularity, social and business success — only because sheer neglect has robbed them of the good looks, poise and feminine self-assurance which could so easily be theirs. Yes, everybody looks at your face. The beautiful complexion, which is yours for the asking, is like a permanent card of admission to all the good things of life that every woman craves. And it really can be yours—take my word for it! — no matter how discouraged you may be this very minute about those externally caused skin miseries.

Medical science gives us the truth about a lovely skin. There are small specks of dust and dirt in the air all the time. When these get into the open pores in your skin, they can in time cause the pores to become larger and more susceptible to dirt particles, dust and infection. These open pores begin to form blackheads which become infected and bring you the humiliation of pimples, blackheads or other blemishes. When you neglect your skin by not giving it the necessary care, you leave yourself wide open to externally caused skin miseries. Yet proper attention with the double Viderm treatment may mean the difference between enjoying the confidence a fine skin gives you or the embarrassment of an ugly, *un*beautiful skin that makes you want to hide your face.



The double Viderm treatment is a formula prescribed by a skin doctor with amazing success, and costs you only a few cents daily. This treatment consists of two jars. One contains Viderm Skin Cleanser, a jelly-like formula which penetrates and acts as an antiseptic upon your pores. After you use this special Viderm Skin Cleanser, you simply apply the Viderm Fortified Medicated Skin Cream. You rub this in, leaving an almost invisible protective covering for the surface of your skin.

This double treatment has worked wonders for so many cases of external skin troubles that it may help you, too —***in fact, your money will be refunded if it doesn't.*** Use it for only ten days. You have everything to gain and nothing to lose. It is a guaranteed treatment. Enjoy it. Your dream of a clear, smooth complexion may come true in ten days or less.

Use your double Viderm treatment every day until your skin is smoother and clearer. Then use it only once a week to remove stale make-up and dirt specks that infect your pores, as well as to aid in healing external irritations. Remember that when you help prevent blackheads, you also help to prevent externally caused skin miseries and pimples.

Incidentally, while your two jars and the doctor's directions are on their way to you, be sure to wash your face as often as necessary. First use warm water, then cleanse with water as cold as you can stand it, in order to freshen, stimulate and help close your pores. After you receive everything, read your directions carefully. Then go right to it and let these two fine formulas help your dreams of a beautiful skin come true.

Just mail your name and address to Betty Memphis, care of the New York Skin Laboratory, 206 Division Street, Dept 354 New York 2, N. Y. By return mail you will receive the doctor's directions, and both jars, packed in a safety-sealed carton. On delivery, pay two dollars plus postage. If you wish, you can save the postage fee by mailing the two dollars with your letter. If you are in any way dissatisfied, your money will be cheerfully refunded. To give you an idea of how fully tested and proven the Viderm double treatment is, it may interest you to know that, up to this month, over two hundred and twelve thousand women have ordered it on my recommendation. If you could only see the thousands of happy, grateful letters that have come to me as a result, you would know the joy this simple treatment can bring. And, think of it!— the treatment must work for ***you,*** or it **doesn't cost you a cent.**
